About

**WHO WE ARE:**

**Integrative Practitioner** is the leading online resource for integrative healthcare professionals and delivers a suite of resources covering topics such as brain health, chiropractic, manual therapies, whole systems medicine, patient care planning, practice management, and more. By partnering with Integrative Practitioner for your marketing and advertising needs, your company will connect with engaged practitioners nationwide and around the world.

**Our Relationship with the Integrative Healthcare Symposium:**

**Integrative Practitioner** is the official media for the Integrative Healthcare Symposium and provides the education, news, industry trends and connection that integrative practitioners look for beyond the conference and throughout the year. Integrative Practitioner advertisers benefit from this relationship with increased exposure and a growing practitioner database that results from partnering with the annual conference.

“We're very happy with the way the webinar turned out. Someone called immediately after the program and asked our Admissions Director ‘How do I sign up?’ so it had immediate impact! At least 6 of the listeners were already known to us as serious candidates, so if listening to that discussion doesn’t make them fill out an application, we can cross them off our maybe list.”

— Nicole Miale, Director of Admissions and Outreach The Graduate Institute
